ORDER SUMMARILY REMANDING MATTER TO STATE COURT

On January 8, 2009, the Court issued an Order to Show Cause (docket # 4) directing defendants to file a response within seven days demonstrating why this matter should not be remanded to Riverside County Superior Court for lack of subject matter jurisdiction. Defendants were specifically warned that their failure to file such a response to the Court's Order would be considered "a failure to prosecute this matter" and would "result in the summary remand of the matter to state court." The time for defendants to file their response to the Court's Order to Show Cause has long since passed and no response was tendered by them. Accordingly, the matter is hereby summarily **REMANDED** to state court.

IT IS SO ORDERED.
